- The Center Parcs National Schools Championships is the priority competitive badminton opportunity available for 11 to 16 year olds in schools. The competition meets BADMINTON England's targets of increasing participation, not only through competition but also via associated badminton activities - such as Bisi Activity Cards for KS 3 & 4, Young Officials and Leadership Awards and School Club Links.
- Sustaining participation from KS4 into Further Education is a key priority for BADMINTON England when addressing the 16 -18 drop-out issues. Our aim is to develop and provide competitive opportunities for all from KS3 through to University age groups.
