- SCM to liaise with the NGB to obtain County final dates
- Asda Kwik Cricket is a simple game for girls and boys. It forms an integral part of the ECB's strategic goal of increasing the levels of participation amongst children
- Natwest Inter Cricket was designed for boys and girls who, for reasons of facility or ability, can't play hard ball cricket. It bridges the gap between Kwik Cricket and the traditional hardball game, increasing levels of participation in the game, particularly amongst 12-14 year old children
