

## **Rugby Football League Statement for SCMs / CMs 2010/11**

Due to the different levels of staffing support around the country and the differing strength of the game around the country, Rugby League has organised its competitions into different priority orders to reflect the level of resource it has in differing regions and counties.

SCMs and CMs are asked to ensure that they follow these local priorities in conjunction with the appropriate RFL Officer to ensure the correct engagement takes place.
