### What Makes Golf Roots Sixes Super?

**Equipment:** designed for use with Golf Xtreme clubs and the Almost Golf Ball

**6 Hole Competition:** played at a golf course or built on a school playing field or park by the home team

**Match Play:** pairs play against each other on each hole and the lowest individual score wins the hole

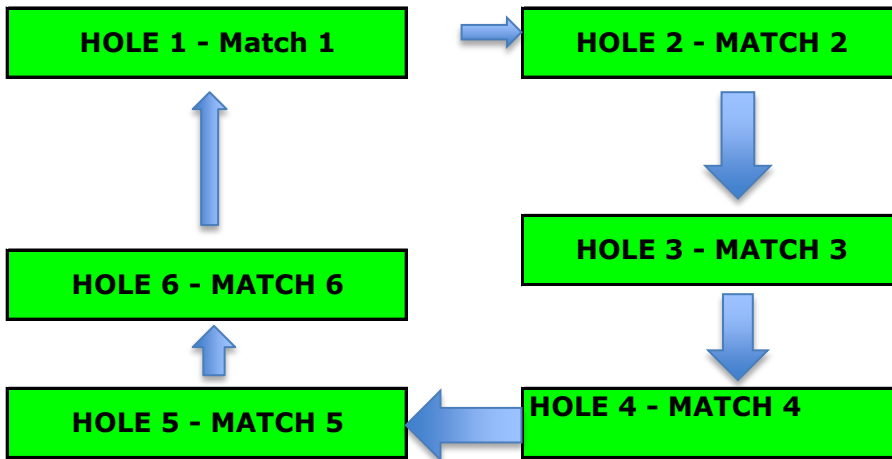

**Texas Scramble:** each pair chooses the best ball position to play each shot each go

**Shotgun start:** each match of 4 players starts at the same time on a different hole

## LAYOUT

## RULES

The Home team tees off first on each hole (both players from that team) each using an Almost Golf Ball. A tee shot must be hit from between the white tee cones, and a tee peg can be used if requested.

### **Order of play**

Once all 4 players have teed off, each pair chooses their best placed ball (i.e. normally the one closest to the flag) and sticks a tee peg next to it to mark its position. They then pick up their worst placed ball (normally the one furthest from the flag) and play both balls from the best placed ball position. They should be no more than 10cm apart. The pair that is furthest away goes first every time.

Each individual has a maximum of 10 shots per hole, if they exceed this limit they pick up their ball.

If both pairs exceed the 10 shot limit, the hole is decided on the team that has got the nearest to the hole within that 10 shot limit.

### **Hazards**

If you go into any hazard (Bunker or Water) then you must take the ball out, place it behind the hazard and add one shot to your score.

### **Scoring**

Each pair keeps a record of how many shots they have hit (TALLY).

The team with the lowest amount of shots wins the hole and receives 2 points

The team with the highest amount of shots loses the hole and receives 0 points.

If the teams score the same amount of shots they 'Half' the hole which means both teams receive 1 point.

Once the hole is completed all 4 players move on to the next hole. The team behind should only play the hole once the team in front has finished and moved onto the next tee.

All pairs must complete the 6 holes and keep their score on each hole.

Every point counts towards the overall team score for all 6 players.

### **More Teams / More Pupils Playing**

Design more 6 hole golf courses on the school field or at the golf club.

Each course can cater for 24 players i.e. another 4 schools of 6 players or 2 teams of 12 players.
